## **NO** Toilet Paper in the Toilet

If it did not pass through your body, it does not pass through our plumbing. Throw paper waste into the trash!

**If you sprinkle when you tinkle,  
please be neat and wipe the seat!**

men, if your aim is questionable, please take a seat.

Ladies, please ALWAYS take a seat.

**Please rinse the bowl and flush it  
dry after use**

This ensures our head stays clean and smell free!
